This is with reference to the request made by the industry for renewal of consent to operate granted by the Board under the Water (Prevention & Control of Pollution) Act, 1974.

The consent to operate granted to the industry vide no. Fresh/PBIP/SGR/2023/2312333033 dated 19.01.2024 valid upto 31.03.2025 under the Water (Prevention & Control of Pollution) Act, 1974 is hereby renewed upto 31/03/2027 with the same conditions as mentioned therein and following specific conditions:

1. The industry shall operate & maintain its STP & ETP regularly and efficiently, so as to achieve the prescribed effluent standards on regular basis and efficiently and maintain the record of operation of the same.
2. The industry shall comply with the guidelines issued by the Punjab Water Regulation and Development Authority (PWRDA) for the abstraction of ground water.
3. The industry shall install water meter over the supply of fresh water within 7 days and shall submit the record of daily withdrawal/ consumption at Regional Office, Sangrur on monthly basis.
4. The industry shall plant trees wherever space is available inside and outside the unit.
5. The industry shall not undertake expansion without obtaining approval from the Board.
6. The industry shall ensure that there is no public nuisance in the area, due to activities of the industry.
7. The project proponent shall devise the ways & means to minimize the generation of all kind of wastes through REDUCE, REUSE and RECYCLE activities. The generated waste, if any, shall be properly handled and managed as per the provisions of the Municipal Solid Waste Rules 2016 in an environmentally sound manner.
8. The Project proponent (PP) may also develop the vermicomposting/composting to manage the biodegradable solid waste. PP shall not throw, burn or bury any solid wastes in open, outside premises or in drain / water bodies.
9. The project proponent shall ensure that there are no usages of plastic carry bags and single use plastic / thermocol disposable items such as water bottles / water pouches/water cups, plates, forks, spoons, straw etc. and single use decorating material made of plastic-thermocol or any other non-biodegradable material in the premises.
10. The project proponent shall perform / promote its Corporate Environment Responsibility (CER) activities as well as use of alternatives of single use plastics (SUP) and awareness to discourage use of plastic (See attached banner/circular).
11. The project proponent shall carry out awareness and activities for the themes / action points identified under Mission LiFE (Lifestyle for the Environment) by Ministry of Environment, Forests and Climate Change given at the website (<http://missionlife-moefcc.nic.in>).

All other contents shall remain unchanged. This letter shall remain appended with the consent issued vide no. Fresh/PBIP/SGR/2023/2312333033 dated 19.01.2024 to the industry under the Water (Prevention & Control of Pollution) Act, 1974.
