No: 10414-191-WG (Spl)

Date: 17/11/2022

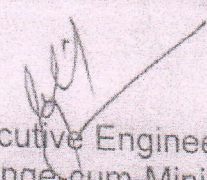

To,

Sh. Pushpinder Singh, Director
M/S Harp Chemicals Pvt:Ltd
Mohali.

Sub : Clarification regarding Not falling the proposed site of ethanol unit to be established by M/S Harp Chemicals Pvt:Ltd in the revenue estate of Village Jahangir Teh: Dhuti Distt. Sangrur Punjab in the flood plain area.

Ref: Your letter No:Harp/2022-23/6 Date: 11/11/2022.

For the above subject and letter under reference, the said site is got inspected from the technical staff under this office. The above mentioned site is around 800 m from Mahorana drain. As per the available record, this site does not fall under flood prone area. However, before developing the site, the drainage plan may be got approved from competent authorities of the department so that there is no obstruction to sheet flow and necessary arrangements may be made.

Executive Engineer,
Drainage-cum-Mining Division,
Sangrur. 2
